CRESCENDO FOR A CAUSE

A FUNDRAISER BENEFITING
HARDIN COUNTY SCHOOLS
ORCHESTRA PROGRAM

2026

FUNDRAISER *Details*

Crescendo for a Cause is an innovative and inspiring fundraiser designed to celebrate art, music, and community support and provide foundational funding for the Hardin County Schools (HCS) Orchestra Program. This Give 270 fundraiser brings together talented artists and generous sponsors to provide HCS students with a strong, accessible orchestra program.

CONCEPT

Local businesses, individuals and organizations donate to Crescendo for a Cause to support the HCS orchestra's programs and initiatives. Each \$2,500 donation will support custom-embellished, die-cut violin canvases painted by a HCS student or faculty/staff artist. The one-of-a-kind violins will be featured in participating schools or offered in an online silent auction.

RECEPTION

The fundraiser will conclude with a gallery exhibit celebrating the orchestra program, participating artists and sponsoring businesses. The event is planned for Friday, September 18 at House on Helm.

ABOUT THE PROGRAM

The Hardin County Schools Orchestra Program offers access and education to orchestral string instruments including violins, violas, cellos and basses, for any HCS middle and high schools. Opportunities will also be piloted among some elementary students in the district as Funding will be used to purchase instruments that will stay at the schools. HCS has already hired two experienced orchestra teachers for the 2025 - 2026 school year.
